**JOINT ADR REPORT AND NOTICE OF SETTLEMENT**

Plaintiff Continental Resources, Inc. (“Continental”) and Defendant Mountain States Pressure Service, Inc. (“MSPSI”) (together, the “Parties”) jointly write to inform the Court that they engaged in a private mediation process and, today, on January 6, 2025, reached a settlement-in-principle that the parties anticipate will result in the ultimate dismissal of this case. Specifically, on December 13, 2024, the parties participated in a hybrid mediation with Mr. James L. Gibbs, II. The parties continued to work with Mr. Gibbs after the mediation. Today, and as a result of that work, the parties reached a settlement-in-principle. The parties are now drafting a formal settlement agreement, which will provide for, among other things, the dismissal of this case.

The next Court-ordered deadlines in this case are set for February 1, 2025 (*Daubert* motions and summary judgment motions). *See* ECF No. 51. The Parties are optimistic that they will be able to execute a formal settlement agreement, and dismiss this case, in advance of that deadline. If they are not, due to the complexity of drafting the settlement

agreement or otherwise, then the Parties may request that the Court extend the current deadlines in the Scheduling Order to allow them further time to execute the agreement.

Respectfully submitted this 6th day of January, 2025.
